All Boys and Girls who are currently registered with the Pickering Soccer Club recreational league are invited to participate.

All interested players will form **All-Star** teams within their age groups and have the opportunity to play against All Star teams from other areas in games and sanctioned tournaments

“**All-Stars**” is a wonderful program designed to accomplish the following goals:

- Allow children who love the game of soccer the opportunity to continue their soccer experience at a more challenging level of competition.
- Allow players to further develop their soccer skills while participating in a higher level of competition
- Build a foundation for our Competitive Teams.

For additional information regarding the All Stars Program and to register for the PSC Coaching Clinics.....please contact the Club Head Coach – Tony La Ferrara – headcoach@pickeringssoccer.ca
